Isabella Magnum 400 Etna, Size 400 x 250cm, 2023

£2,080

Description

NEW FRAMED PORCH AWNING

The Isabella Magnum 400 Etna awning is a touring-friendly porch, which is quick to put up when you're on the go.

This is a spacious touring awning with a depth of 2.5 metres and a width of 4 metres. With CarbonX poles and breathable Isacryl fabric as standard, this is a top quality porch awning.

Features Include

- Isacryl is a spinneret-dyed (i.e. the fibres are dyed), textured-weave, durable acrylic material. Isacryl has the highest achievable fade-resistance thanks to the pigmentation method. The density of the weave plus the impregnation all the way through prevent water ingress. Nevertheless, Isacryl is a breathable material, which facilitates the best possible indoor climate in the awning.

All Isabella awning roofs are made of strong, UV protective acrylate-coated polyester, with an added top coat to help prevent the build-up of dirt. The roof fabric is impregnated in 3 layers. The inside is patterned to create a pleasant indoor environment, and this also helps make any dirt on the outside less noticeable.

CarbonX™ frame a carbon-fibre reinforced fibreglass frame, suitable for both permanent and touring caravanning. The frame is light and fully corrosion resistant. All CarbonX frames are supplied with the IsaFix locking mechanism

Special Details:

- Extra long roof wings for additional strength and optimal fit
- Full length canopy providing extra shelter
- Mosquito net in both sides
- Ventilation in the front
- Large front window
- Removable/foldable front and side panels
- Curtains in Collage Sand fabric

Comes as standard with:
