NEW FRAMED PORCH AWNING

The Isabella Minor Dawn awning is a touring-friendly porch, which is easy to use, smart and comfortable.

This is a small touring porch awning with a depth of 2.0 metres and a width of 2.6 metres. With CarbonX poles and breathable Isacryl fabric as standard, this is a top quality porch awning.

Features Include

Nevertheless, Isacryl is a breathable material, which facilitates the best possible indoor climate in the awning.
