## Isabella Commodore Dawn, Size 850 - 1225cm, 2023

# £2,822

### Description

#### NEW FRAMED FULL AWNING

The Isabella Commodore Dawn awning is a spacious full awning available in a range of sizes, with a 3.0m depth. Large panoramic windows with mosquito nets with a foil cover in both sides make Commodore Dawn a pleasant place to be.

All front and side panels can be folded down to form a veranda or removed completely. Commodore Dawn is available with the Zinox tubular steel frame, the ultralight CarbonX fibreglass frame or the heavy-duty steel MegaFrame.

### Features Include

The Isabella Commodore Dawn is available in a wide range of sizes and with three pole options. Pricing varies depending on the size and pole choice but for guidance and comparison with our other awnings the RRP quoted here is based on a 900cm size with CarbonX poles.

Commodore Dawn is a fusion of classic Isabella design and contemporary materials. Its depth of 3 metres and the choice of three types of frames are a major advantage, especially for those who alternate between permanent pitching and touring and enjoy having plenty of space in the awning.

### Poles:

CarbonX fibreglass frame with IsaFix locking clamp  
or Strong Zinox tubular steel frame with T-Rex locking clamp  
or Zinox Megaframe tubular steel frame 32mm diameter with welded corners and double screw locking
