## Isabella Air Arc Sun Canopy, Size 390 x 260cm, 2023

# £1,026

### Description

The Isabella Air Arc is made up solely of air beams and roof fabric and you just have to pump it up in one place using the Isabella Air pump supplied.

This sun canopy is made from a well-known material called Isacryl, which is a lightweight, robust, dyed material, whose colours retain their beauty for many years to come.

### Features Include

- The Isabella Air Arc sun canopy is made of robust materials yet is easy to put up and use. Whilst primarily designed as a simple, quality, sun canopy, the Isabella Air Arc also has an optional Air Arc Side panel which can be added to either left or right sides of the canopy.
