Sterling Elite 580, 4 Berth, 2016

£17,991

Description

This 2016 Sterling Elite 580 from Swift features a modern interior colour scheme with a high specification as standard.

The rear double is a island bed which slides out to increase the bed size or allow extra space around it and there is a rear washroom with separate step-in shower.

The kitchen features a tall fridge and a worktop extension for extra space and the front lounge offers the popular parallel seating layout, with a chest of drawers and occasional table, which converts to a double bed if required.

This caravan benefits from the Swift Command control system and the popular Alde heating.
