### Features Include

• With a **narrow 2.03m body width and MTPLM of just 1,094kg**, this caravan can be towed by a wide range of vehicles and is easy to handle on smaller roads or tight pitches.

Inside, the front lounge features comfortable parallel seating which easily converts into either two single beds or a spacious double bed, creating a relaxing and flexible living area. Large front windows allow plenty of natural light, giving the interior a bright and airy feel.

The well-equipped kitchen provides everything needed for touring, including a 3-burner gas hob, oven and grill, sink, and a 3-way fridge, making meal preparation simple whether on electric hook-up or gas. To the rear, the caravan offers a compact washroom with shower, swivel cassette toilet and vanity basin, ensuring full onboard facilities wherever you travel.

Built using Swift's **SMART timberless construction with GRP body panels**, the Sprite Compact is designed for durability and weather resistance while remaining lightweight. The caravan also features modern comforts such as LED lighting, USB charging points, Truma heating and hot water, and a stable AL-KO chassis for confident towing. • • **Key features include:** •
